“Dialog intelligibility — where the drama either unfolds or falls flat on its face. Join the conversation with metering savants NUGEN Audio and check that your dialog is actually heard and not just seen.”

Mike Aiton

(BBC Panorama, The History Channel, Robot Wars)

“I think of ISL as a bit of a secret weapon”

Justin Fraser

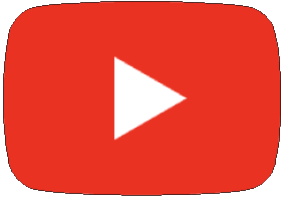
(Abbey Road Institute)

“Stereoplacer is becoming a firm favourite”

Robbie Bronnimann

(Howard Jones, Ultravox)

“Stereoplacer worked wonders”

Michael Stearns


(Samsara, Zydeco Breakfast)
