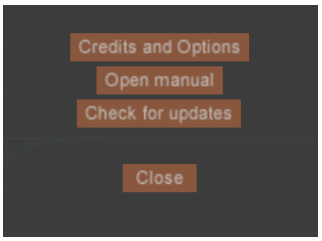
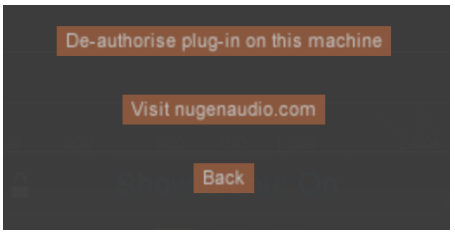
De-authorising a License

You need to be connected to the internet in order to de-authorise a Challenge Response license.

- Open the plug-in interface and click the NUGEN Audio logo.



- Select 'Credits and Options'.



- Select 'De-authorise plug-in on this machine'. The plug-in will ask if you are sure.
- Click 'Yes - I am sure'. Your license has now been de-authorised.

Contact **support@nugenaudio.com** for further assistance.
